- The guy on the lower right of the screen wasn't singing. Looking down the whole time. Is that the one antifa on the MAGA flight? Lol

44 ▼ Lol my thought while watching this “wow this is so amazing and what’s even more amazing is how pissed the one libtard is that happens to be on the plane”

6 ▼ Today has to be a crazy day to be a pilot. Planes full of singing and cheering...

14 ▼ Must have been so demoralizing for it, feeling so outnumbered and surrounded by high-energy patriots.
Good.

Uh, I'm pretty sure these people are heading somewhere, to, ya know, do something. And you can get the fuck out, go be alone and be miserable alone in fear in your closet like a leftist because no one is heeding your poor advice, or you can be a happy warrior who bolsters and inspires allies instead of tearing down

I would just like to take the time to thank you for interacting with our site, and helping us on our way to breaking the top 450 most-visited websites in the US (you have already helped get us in the top 500)! Even though it is a small and unsightly contribution, every interaction you have with us helps us gain more visibility, and helps us spread our message to others!

24 ▼ Look at that little commie keeping xir head down. If everyone on the plane was singing a song from Lion King or Hamilton, Xey would have had their phone recording with a big ole smile on the face.

On the shore, dimly seen through the mists of the deep
Where the foe's haughty host in dread silence reposes,
What is that which the breeze, o'er the towering steep,
As it fitfully blows, half conceals, half discloses?
Now it catches the gleam of the morning's first beam --
In full glory reflected, now shines on the stream;
'Tis the Star-spangled Banner, O! long may it wave
O'er the land of the free and the home of the brave.
And where is that band who so vauntingly swore
That the havoc of war and the battle's confusion
A home and a country should leave us no more?
Their blood has washed out their foul footsteps' pollution.
No refuge could save the hireling and slave.
From the terror of flight or the gloom of the grave!
And the Star-spangled Banner in triumph doth wave
O'er the land of the free and the home of the brave.
O! thus be it ever when free men shall stand
Between their loved homes and the foe's desolation;
Bless'd with victory and peace, may our Heaven-rescued land
Praise the Power that hath made and preserved us a nation
Then conquer we must, for our cause it is just --
And this be our motto -- "In God is our trust!"
And the Star-spangled Banner in triumph shall wave
O'er the land of the free and the home of the brave.

For the knaves that rest on Columbia's breast,
When the voice of true men stifled,
We'll exercise our God given rights,
With our talisman, The Rifle.

Let the rifles ring and the bullets sing,
To the clash of the flashing sabre,

These are my own words, my own words,

Our drums will roll from the Capitol,

O'er Potomac's fateful waters!
